Parsons Wholesale Nurseries

PARSONS, KANSAS

Established 1870

Wholesale Trade List Fall, 1929

This is our 59th year in business in Kansas. It is due to the confidence placed in us and the manner in which we have treated our patrons that we have been able to stay in business so long and weather so many hard seasons as has been the Nurseryman's lot in the past 50 years.

Stock will be up to our usual high standard. Prices subject to change without notice.

All stock offered is of our own growing.

Shipping facilities are the very best. Direct lines to all large shipping centers and distributing points, insuring quick transportation at lowest possible rates.
